

Timothy Erickson

Timerickson@exchange.tamu.edu

Education Completed

August 2020-July 2023, University of Florida, Gainesville, Florida
Master of Science in Microbiology and Cell Science

August 2015-December 2019, University of Texas Health Science Center at Houston School of Public Health, Houston, Texas.

PhD in Public Health in Epidemiology

Dissertation: “Clinical and Epidemiologic Investigation of Meningitis and Encephalitis in a Pediatric Population 2010-2017”

Minor: Biostatistics

Global Health Certificate

August 2013-July 2015, Texas A&M University Health Science Center, College Station, Texas.

Master of Science in Public Health in Epidemiology

Thesis: “A Systematic Review of Murine typhus.”

August 2008-May 2013, Texas A&M University, College Station, Texas.

Bachelor of Science in Bioenvironmental Science and Plant Pathology and Microbiology

Bachelor of Science in Soil and Crop Sciences

Scientific Funding Awarded

US Centers for Disease Control and Prevention, Co-Investigator *Assessment of Highly Pathogenic Avian Influenza (H5N1) Among Dairy Farm Workers, 07/2024-07/2025,*
Total Budget: \$3,856,500

Oak Ridge Institute for Science and Education/Intelligence Community Postdoctoral Fellowship, Fellow *“Machine Learning for the Identification of Encephalitis Etiology”* 10/2020-8/2023, Total Budget: \$296,000

NIH R03, Consultant *“Novel recombinant protein immunoassays for the diagnosis and monitoring of toxocariasis in children living in the United States.”* Awarded 6/2023

Scientific Funding Submitted

NIH R21, PI *“Assessing Novel Biomarkers of Neurologic Disease in an Animal Model.”*
Submitted 2/2025.

TICER Pilot Award, CO-PI. “Assessing Neglected Parasitic Threats to Vulnerable Populations in Texas Soil and Drinking Water.” Submitted 10/2024

Fulbright US Scholar Program, PI. “Machine Learning and Biostatistics Education to Improve Public Health in Malawi.” Submitted 9/2025

Conference Presentations

1. Machine Learning for Prediction of Infectious Diseases
Presented at the Intelligence Community Academic Research Symposium, September, 2022
2. The Epidemiology of Typhus & Spotted Fever Group Rickettsioses
Presented at the One Health Conference, October, 2021
3. Development and Implementation of a Machine Learning Model for the Identification of Encephalitis Etiology
Presented at the Intelligence Community Academic Research Symposium, September, 2021
4. The Importance of Timing in Testing for Infection with Typhus and Spotted Fever Group *Rickettsia*
Presented at the Disease in Nature Conference, May, 2021
5. Worms on my Mind: Tracking Neurocysticercosis in Houston
Presented at the One Health Conference, September, 2019
6. Evidence of Autochthonous Transmission of Neurocysticercosis in Houston
Presented at the Disease in Nature Conference, May, 2019
7. Worms on my Mind: Tracking Neurocysticercosis in Houston
Presented at the Southern Conference of Graduate Schools, February, 2019
8. Arboviruses and Zoonotic Pathogens as Causes of Encephalitis in a Pediatric Population
Presented at the South Texas Tropical Medicine and Vector Borne Disease Conference, February, 2019
9. Meningitis and Encephalitis in a Pediatric Population
Presented at the Disease in Nature Conference, May, 2018
10. Newly Recognized Pediatric Cases of Typhus Group Rickettsiosis in Houston, Texas
Presented at the Disease in Nature Conference, May, 2017

Scientific Reviewer

Highlighted Work/Research Experience

August 2023-Present, Texas A&M University School of Public Health, College Station, Texas
Assistant Professor

October 2020-August 2023, Oak Ridge Institute for Science and Education/Intelligence Community Postdoctoral Fellowship, assigned to Texas Children’s Hospital, Houston, Texas
Postdoctoral Fellow

April 2020-June 2021, Houston Health Department, Houston Texas
Epidemiology Supervisor for COVID-19 response

May 2014-August 2014 and August 2015-March 2020, Baylor College of Medicine National School of Tropical Medicine, Houston, Texas
Research Assistant

June 2017-August 2017, Houston Health Department, Houston, Texas
Staff Epidemiologist

August 2014-August 2015, Veterans’ Health Administration Olin E. Teague Hospital, Temple, Texas
Infection Control Research Epidemiologist

Highlighted Teaching Experience

Texas A&M University School of Public Health
Assistant Professor

PHEB 605 (Epidemiology 1), in-person (Fall 24)
PHEB 605 (Epidemiology 1), online (Fall 24)
PHEB 603 (Biostatistics 2), in-person (Spring 24)
SOPH 603 (Epidemiology Core Course), in-person (Spring 25)
SOPH 603 (Epidemiology Core Course), online (Spring 25)

August 2022, Texas A&M University School of Public Health
Visiting Assistant Professor
Created and instructed a section of PHEB 605 (Epidemiology 1 for Epidemiology majors)

June 2022, Houston Health Department
Invited to prepare and present a series of trainings on the interface between science and practice for practicing public health personnel; highlighted lectures included a general overview of the academic publication process

March 2020-September 2020, Houston Health Department

Epidemiology Supervisor

Served as trainer of choice for new epidemiologists during COVID-19 outbreak for congregate settings teams

June 2013-August 2013, Duke University Talent Identification Program, College Station, Texas. *Teaching Assistant*

June 2012-August 2012, Duke University Talent Identification Program, College Station, Texas. *Teaching Assistant*

Invited Guest Speaker

October 2022, Texas A&M University, Infectious Disease Epidemiology

Invited Guest Lecturer on Neuroinvasive Diseases

March 2019, Texas A&M University, Infectious Disease Epidemiology

Invited Guest Lecturer on Rickettsioses

January 2019, Blanton CTE High School

Invited Guest Lecturer on Parasitic Diseases

April 2018, University of Texas Health Science Center at Houston School of Public Health, Tropical Infectious Diseases

Invited Guest Lecturer on Parasitic Diseases

December, 2015, Debakey High School for Health Professions

Invited Guest Lecturer on Rickettsioses

Skills and Certifications

Experienced with R, SAS, STATA, SPSS, ArcGIS, Python, and Excel.

Certified in Public Health (CPH)

Awards

Won popular vote category at the Southern Conference of Graduate Schools

Won both first place and popular vote categories of the University of Texas Health Science Center at Houston Three Minute Thesis

Awarded leadership certificate from the Texas A&M University Corps of Cadets for completion of a 4-year leadership program and 14 semester hours of leadership study

Professional Memberships

Sigma Chi Scientific Honor Society

Elected full member, July 2020

Delta Omega Public Health Honor Society

Nominated for membership November, 2019
