

CURRICULUM VITA

DR. JAMES N. BURDINE

Summary

Dr. James N. Burdine is a Regents Professor with the Department of Health Behavior (DHB) and has been the Director of the Center for Community Health and Aging (CCHA), at the School of Public Health (SPH), Texas A&M University (TAMU) since 2001. He recently also served as the interim department head for the DHB. From February 2013 through January 2015, Dr. Burdine served as the Dean (*interim*) of the School and prior to that as Associate Dean for Public Health Practice from 2012-14, Assistant Dean for Public Health Practice from 2009-12, and Head, Department of Social and Behavioral Health from 2002-05.

Dr. Burdine is an internationally recognized expert in population health status assessment and community health development. His areas of expertise include working in and with rural communities across the United States and with *promotoras* in *colonia* communities along the US-Mexico border. His experience also includes the development of highly sophisticated cost-effective community health assessment techniques as well as a number of national “model” programs for community-based health improvement including the National Community Health Worker Training Center and the Telebehavioral Health Care Program at Texas A&M.

To this point in his career Dr. Burdine has been awarded more than \$28 million in grants and contracts from funders including the Robert Wood Johnson Foundation, the Health Services and Resources Administration and the Centers for Disease Control and Prevention, among others.

Dr. Burdine’s professional publications include co-editing 5 special issues of journals, co-authoring 5 book chapters, authoring/co-authoring 121 professional documents (66 articles in peer-reviewed publications, and 55 technical reports and papers). He has also authored/co-authored 276 presentations (174 for refereed conference presentations, 46 invited presentations and testimonies, and 56 continuing education programs).

Dr. Burdine has also held offices with national professional organizations including President of the Society for Public Health Education (1993), is a member of the Delta Omega Public Health Honor Society, has received awards for Excellence in Practice from the School of Rural Public Health (2006) and the Faculty Recognition Award from his department (2004, 2005, 2006). He also has served as an advisor to numerous national health-related organizations, federal and state agencies and as a reviewer for major public health professional journals. In 2018, Dr. Burdine celebrated his 25th year of teaching for the American College of Healthcare Executives.

Prior to joining the faculty of the School of Rural Public Health in 2001, Dr. Burdine spent 9 years as the President and Senior Scientist at Felix, Burdine and Associates, a nationally recognized health care consulting firm. Before that, Dr. Burdine spend 8 years in health system management at Seton Medical Center and Scott & White in Texas, and HealthEast/Lehigh Valley Health Network in Pennsylvania.

Dr. Burdine lives on Red Boot Ranch, near College Station, Texas with his wife of 53 years, Dawn DeFore Burdine; has 4 sons, and 13 grandchildren.

Education

- 1979 Doctor of Public Health (Dr.P.H.), Department of Health Behavior/Health Education, School of Public Health, University of North Carolina at Chapel Hill.
Dissertation title: *Determining the Impact of Consumer Participation on the Prevention Orientation of Health Systems Agencies Plans.*
- 1972 Master of Public Health (M.P.H.) in Community Health Education, Department of Health Sciences, California State University, Northridge, California.
Thesis title: *Training the Patient Advocate-Health Educator in a Free Clinic Setting.*
- 1970 Bachelor of Science (B.S.) in Health Sciences, Concentration in Community Health Education, San Fernando Valley State College, Northridge, California.

Professional Experience

- 2022-date Director, Center for Community Health and Aging¹, School of Public Health, Texas A&M University, College Station, Texas.
- 2021-date Regents Professor, Department of Health Behavior,² School of Public Health, Texas A&M University, College Station, Texas.
- 2019-21 Head (*interim*) Department of Health Promotion and Community Health Studies, School of Public Health, Texas A&M University, College Station, Texas.
- 2017-22 Founding Director and Co-Principal Investigator, Center for Community Health Development, School of Public Health, Texas A&M University, College Station, Texas.
- 2017-22 Affiliated Faculty, Center for Population Health and Aging, School of Public Health, Texas A&M Health Science Center, College Station, Texas.
- 2013-15 Dean (*interim*), School of Public Health, Texas A&M Health Science Center, College Station, Texas.³

¹ In 2022 the Center for Community Health Development merged with the Center for Population Health and Aging as the Center for Community Health and Aging.

² In 2022 the name of the department was changed from Health Promotion and Community Health Sciences to Health Behavior.

³ In 2013 the name of the school was change from School of Rural Public Health to School of Public Health.

- 2014-date Faculty Fellow, the Center for Health Systems and Design, College of Architecture.
- 2014-date Affiliated Faculty, the Transdisciplinary Center for Health Equity Research, Department of Health and Kinesiology.
- 2013-20 Member, the Faculty Board of the Scowcroft Institute of International Affairs at the Bush School of Government and Public Service.
- 2012-14 Associate Dean for Public Health Practice, School of Rural Public Health, Texas A&M Health Science Center, College Station, Texas.
- 2009-12 Assistant Dean for Public Health Practice, School of Rural Public Health, Texas A&M Health Science Center, College Station, Texas.
- 2009-date Affiliated Faculty, Child and Adolescent Health Research Lab, Department of Health and Kinesiology, Texas A&M University, College Station, Texas.
- 2007-21 Professor, Department of Health Promotion and Community Health Sciences, School of Rural Public Health, Texas A&M Health Science Center, College Station, Texas.⁴
- 2006-10 Affiliated Faculty, Program in Health Aging, School of Rural Public Health Texas A&M Health Science Center, College Station, Texas.
- 2006-07 Co-Director, Integrative Health Science, Center for Environmental and Rural Health, Texas A&M University, College Station, Texas.
- 2004-17 Co-Director and Co-Principal Investigator, Center for Community Health Development, School of Rural Public Health Texas A&M Health Science Center, College Station, Texas.
- 2003-05 Head, Department of Social and Behavioral Health, School of Rural Public Health Texas A&M Health Science Center, College Station, Texas.
- 2003-date Member, Graduate Faculty of Texas A&M University, College Station, Texas.
- 2002-03 Interim Head, Department of Social and Behavioral Health, School of Rural Public Health Texas A&M Health Science Center, College Station, Texas.
- 2001-04 Director, Community Health Development Program, School of Rural Public Health, Texas A&M Health Science Center.

⁴ In 2012 the name of the Department of Social and Behavioral Health was changed to the Department of Health Promotion and Community Health Sciences.

- 2001-06 Associate Professor, Department of Social and Behavioral Health, School of Rural Public Health, Texas A&M Health Science Center, College Station, Texas.
- 2000-date Affiliated Faculty, Southwest Rural Health Research Center, School of Rural Public Health, Texas A&M Health Science Center, College Station, Texas.
- 2000-01 Adjunct Associate Professor, Department of Social and Behavioral Health, School of Rural Public Health, Texas A&M Health Science Center, College Station, Texas.
- 1994–2019 Faculty member, American College of Healthcare Executives, Chicago, Illinois.
- 1992-01 President and Senior Scientist, Felix, **Burdine** and Associates, Inc., Allentown, Pennsylvania.
- 1989-93 Adjunct Associate Professor of Medicine, Department of Medicine, Hahnemann University School of Medicine, Philadelphia, Pennsylvania.
- 1988-93 Associate Professor (part-time), Department of Health Education, East Stroudsburg University, East Stroudsburg, Pennsylvania.
- 1987-92 Vice President for Community Health. Lehigh Valley Hospital System, Allentown, Pennsylvania.⁵
- 1984-86 Director of Health Promotion, Scott and White Memorial Hospital, Temple, Texas.⁶
- 1982-85 Faculty Associate, Center for Health Promotion Research and Development, University of Texas Health Science Center at Houston, Houston, Texas.
- 1981-83 Director of Health Promotion and Director of Education, Seton Medical Center, Austin, Texas.⁷

⁵ Created Department of Community Health serving all components of a multi-hospital system. Responsible for developing programs to address a wide range of community health problems including "Healthier U.®", "The Test You Can't Fail®" - a nationally syndicated colon-rectal screening program, "Countdown Lehigh Valley®" - the model for the national "CountDown for Cholesterol" program, the Coalition for a Smoke-Free Valley - the largest non-federally funded smoking cessation and prevention program in the US at that time, the ALERT-Partnership for a Drug-Free Valley - a model for the Robert Wood Johnson Foundation's Fighting Back Initiative, the NEXUS for Geriatric Planning, and Healthy Business®- an occupational medicine product line.

⁶ Responsibilities included creation of Health Promotion Department, the supervision of professional staff in the design, marketing, implementation and evaluation of occupational and preventive medicine programs, a variety of community health promotion programs, the *Options for a Healthy Lifestyle®* program, and the Scott and White *Health Education Centers*.

⁷ Established Health Promotion Department and developed *The Good Health School®*, a community-based program recognized by the American Hospital Association as a model for hospital-sponsored community health promotion efforts and recipient of its annual award for Innovation in Health Promotion.

- 1979-81 Assistant Professor and Coordinator of Community Health Graduate Program, Department of Health, Physical Education, Recreation and Dance, University of Texas at Austin, Austin, Texas.
- 1977-79 Evaluation Consultant, National Stroke Center Project, Center for Health Studies, Research Triangle Institute, Research Triangle Park, North Carolina.
- 1976-78 Research Assistant, Department of Health Education, School of Public Health, University of North Carolina at Chapel Hill, Chapel Hill, North Carolina.
- 1975-76 Teaching Assistant, Department of Physical and Health Education, University of New Mexico, Albuquerque, New Mexico.
- 1974-75 Lecturer, Department of Health Sciences, California State University, Northridge, Northridge, California.
- 1972-74 Program Director, American Lung Association of Santa Clara-San Benito Counties, San Jose, California.

Funded Projects

Research Grants and Demonstration Projects (only projects greater than \$20,000 are listed)

- 2022-date *Creating Integrated Medical, Health & Human Services Systems for Rural Communities.* Principal Investigator. Funded by the TAMU Health Science Center to document the impact of Health Resource Centers and serve as the basis for a larger grant to provide training and technical assistance to communities desiring a health resource center. \$80,000 for one year.
- 2021-date *Department of State Health Services Public Health Region 7 COVID-19 Health Equity Project,* Principal Investigator. Funded by the Centers for Disease Control and Prevention through the Texas Department of State Health Services to develop two county sites for COVID-19 vaccine hesitancy reduction through authentic community engagement and building of sustainable relationships. \$425,000 for two years.
- 2019-date *Rape Prevention and Education Evaluation (RPE) Supplement.* Co-Investigator. Funded by the Texas Office of the Attorney General, this project covered supplemental activities for the primary evaluation project that evaluates the Texas RPE program at the state level. Activities included building state evaluation capacity, assessing the public health approach and primary prevention principles, evaluation consultation, and development of a community readiness checklist. Dr. Lisako Mckyer, PI. Funding at \$249,999 for six months.

- 2017-18 *Evaluation of Brazos Valley Community Health Resource Centers.* Principal Investigator. Funded by the Episcopal Health Foundation, this project explores the history and development of the five community health resources centers in Brazos Valley counties. Additionally, the project will generate a “toolkit” of resources for replication of this approach to meeting local health needs. Funding at \$72,000 for six months.
- 2017-18 *Community Health Worker Experiences with Hispanic/Latino Health Access.* Co-Investigator. A School of Public Health Research Enhancement and Development Initiative (REDI) funded project lead by Dr. Timothy Callahan, PI. Funding at \$25,000 for one year.
- 2016-17 *Identifying culturally relevant interventions to increase medication adherence among adults with diabetes or hypertension.* Co-Investigator. A School of Public Health Research Enhancement and Development Initiative (REDI) funded project lead by Dr. Bernard Appiah, PI. Funding at \$24,900 for one year.
- 2016-18 *“To Better, To Serve” a Dental Faculty Development and Loan Repayment Program.* Co-Investigator. Health Resources and Services Administration grant to increase the number and diversity of oral health professionals equipped to practice in community-based settings. Funding at \$257,000 for two years.
- 2016-17 *Strategic orientation and perception of networks: nonprofit hospitals and community health clinics in Texas.* Co-Principal Investigator. A Joint Initiative of the Nonprofit Management Program at the Bush School of Government and Public Service and the Center for Community Health Development (CCHD). Funding is \$19,891.29 for one year.
- 2015-17 *Determination of the Competency of Electronic Health Record data to Support Outcomes Feedback for Medical Intervention.* Co-Principal Investigator. The project is funded by the Clinical Science and Translational Science Research Institute at Texas A&M as part of its Pilot Grant Program. Funding is \$125,000 for one year.
- 2009-14 *The Center for Community Health Development.* Co-Principal Investigator. One of the CDC designated Prevention Research Centers (PRC). This project is designed to increase SRPH capacity for prevention research building upon existing community health development activities in central and south Texas. Funding was \$3.4 million over five years.
- 2009-12 *Border Environmental Health and Toxicology Educational Research Program.* Co-Investigator. Agency for Toxic Substances and Disease Registry (ATSDR) project to increase awareness of environmental health and toxicology issues in the health care professionals and in community members along the Texas/Mexico border. Funding was \$0.75 million over three years.
- 2005-08 *Border Environmental Health Coordination: Clinical Impacts test of Promotoras-Led Education on Child Pesticides Exposure.* Co-Investigator. Environmental Protection Agency/Health Resources and Services Administration funded research project evaluating the impact and effectiveness of promotoras in reducing household pesticide exposure among *colonia* residents. Funding was \$0.3 million over three years.

- 2005-07 *Using a Community Health Development Strategy to Build Community Capacity in Colonias.* Principal Investigator. Robert Wood Johnson Foundation funded project that utilizes community health workers (*promotoras*) in multiple roles of health educator, outreach worker, patient advocate, and community development facilitator to build local capacity for solving health problems and improving access to care and health status for residents of *colonias* along the Texas/Mexico border. Funding was \$2.9 million over two years.
- 2004-09 *The Center for Community Health Development.* Director and Co-Principal Investigator. One of the CDC designated Prevention Research Centers (PRC). This project is designed to increase SRPH capacity for prevention research building upon existing community health development activities in central and south Texas. Funding was \$3.9 million over five years.
- 2003-05 *Community Access Program: Coordinating Health Services for the Brazos Valley, Texas.* Co-Principal Investigator. Health Resources and Services Administration (HRSA) Bureau of Primary Care Community Access Program grant. This project expands on the application of a community-based case management model from one to three sites in rural counties of the Brazos Valley, Texas. Funding was \$2.1 million over three years.
- 2003 *Binational Utilization of Health Services: Pilot Study.* Principal Investigator. TAMUS Health Science Center sponsored project. The purpose of this investigation was to identify factors for examination in a larger study proposed for fall 2003. Residents of both South Texas and Northern Mexico were interviewed to identify these factors. Funding was \$50,000 for one year.
- 2001-05 *The Integrated Health Outreach System Project.* Principal Investigator. Robert Wood Johnson Foundation and HRSA demonstration project. The project engages local health care providers, community health workers (*promotoras*) and residents of two *colonias* in Hidalgo County in an effort to improve access to care and local health status. Project funding was for \$3.1 million over four years.
- 2001-05 *An Evaluation of the Integrated Health Outreach System Project.* Co-Principal Investigator. Robert Wood Johnson Foundation. The Foundation funded an evaluation component of the IHOS project separately. Funding was for \$0.75 million over four years.
- 2001-03 *Rural Health Outreach and Community Health Development Project.* Principal Investigator. HRSA Office of Rural Health Policy project to build institutional capacity to support community health development projects. Project funding was \$0.5 million over two years.
- 1991-93 *ALERT-Partnership for a Drug Free Valley.* Principal Investigator. Center for Substance Abuse Prevention (CSAP) Community Partnership Demonstration grant. This five-year project was designed to demonstrate the effectiveness of a coalition in building community capacity to address the prevention of substance abuse. Funding was \$3.0 million over five years.

- 1988-93 *Coalition for a Smoke-Free Valley*. Principal Investigator. A multi-year study to determine if a community capacity-building approach can effectively reduce the prevalence of smoking among the adult population to less than 5% by the year 2000. The Henry J. Kaiser Family Foundation and the Dorothy Rider Pool Health Care Trust jointly funded the project for \$1.1 million over five years.
- 1988 *Lehigh Valley Diabetes Education Research Project*. Co-Investigator. A project to examine community-based approaches to diabetes education. Offered through the Helwig Diabetes Education Center at Lehigh Valley Hospital. Funding was \$195,313 from the Pennsylvania Department of Health.
- 1987 *Alert-Partnership for a Drug-Free Valley*. Principal Investigator. Funded by the Dorothy Rider Pool Health Care Trust as a pilot project to organize a community coalition to address prevention of substance abuse. Funding was \$120,000 for one year.

Technical Assistance and Service Contracts (only projects \$25,000 or greater are listed)

- 2022-23 *An Environmental Scan to Inform EHF's Rural Health Strategy*. Co-Principal Investigator. Funded by Episcopal Health Foundation to advise the foundation on the future of its rural investments through grantmaking, research and engagement. \$125,000.
- 2019-21 *Center for Optimizing Rural Health Grant Writing Course*. Co-Investigator. Development and provision of a grant writing course for vulnerable rural hospitals across the country. Funded by the Texas A&M Rural and Community Health Institute's Health Resources and Services Administration grant. Dr. Nancy Dickey, PI. Funding \$105,000 for one year.
- 2019-21. *Robertson Community Resource Center of Robertson County*. Consultant. Funded by the Episcopal Health Foundation to develop a community health resource center in Hearne, Texas to provide health and social services to residents of Robertson County. \$285,000.
- 2019-21 *Bastrop County Resource Network*. Consultant. Funded by the Episcopal Health Foundation to develop a community health resource center in Bastrop, Texas to provide health and social services to residents of Bastrop County. \$185,000.
- 2019-21 *Trinity Community Resource Center*. Principal Investigator. Funded by the Episcopal Health Foundation to develop a community health resource center in Trinity, Texas to provide health and social services to regional residents. \$130,000.
- 2019 *St. Luke's Memorial Regional Health Status Assessment*. Co-Principal Investigator. A collaboration of local health care providers, health and human service agencies, local government and academic institutions documenting population health status in seven counties of East Texas. \$50,000.

- 2018-19 *Promotion and Dissemination of the Community Health Resource Center Toolkit* - Principal Investigator. The purpose of this project, funded by the Episcopal Health Foundation is to promote and disseminate the Community Health Resource Center Toolkit and model throughout Texas. \$25,000.
- 2018-19 *Brazos Valley Regional Health Status Assessment – VI*. Principal Investigator. A collaboration of local health care providers, health and human service agencies, local government, and academic institutions, this is the sixth regional assessment used for program planning and evaluation in the eight counties of the greater Brazos Valley. \$125,000.
- 2016-17 *Brazos Valley Regional Health Status Assessment – V*. Principal Investigator. A collaboration of local health care providers, health and human service agencies, local government, and academic institutions, this is the fifth regional assessment used for program planning and evaluation in the greater Brazos Valley. \$65,000.
- 2012-13 *Brazos Valley Regional Health Status Assessment - IV*. Co-Principal Investigator. A collaboration of local health care providers, health and human service agencies, local government, and academic institutions, this is the fourth regional assessment used for program planning and evaluation in the greater Brazos Valley. \$245,000.
- 2009-10 *Brazos Valley Regional Health Status Assessment - III*. Co-Principal Investigator. A collaboration of local health care providers, health and human service agencies, local government, and academic institutions, this is the third regional assessment used for program planning and evaluation by the Brazos Valley Health Partnership and its member organizations. \$189,000.
- 2008-09 *Tarrant County Community Health Assessment*. Principal Investigator. A contract with the United Way of Tarrant County to conduct a community health assessment as part of the strategic planning process of the local United Way organization. \$45,000.
- 2008 *Cook Children’s Regional Health Assessment*. Principal Investigator, secondary data component. Sponsored by the Cook Children’s Health Network, this was a 7-county assessment of the factors influencing child health status in the Fort Worth, TX area. \$77,576.
- 2006 *Brazos Valley Regional Health Status Assessment - II*. Principal Investigator. A collaboration of St. Joseph’s Regional Health Center, College Station Medical Center, Trinity Medical Center, the Brazos Valley Council of Governments, Brazos Valley Community Action Agency, and the School of Rural Public Health, this was a second regional assessment used for program planning and evaluation by the Brazos Valley Health Partnership and its member organizations. \$115,000.

- 2003-04 *Rio Grande Valley Health Services District Strategic, Operational, and Transition Plans.* Principal Investigator. An initiative jointly funded by a consortium 9 hospitals in Cameron and Hidalgo Counties to develop: (1) a strategic plan for improving access to care for the two counties' medically indigent population; (2) as a continuation of the previous project, funded by the Health Services District in Cameron and Hidalgo Counties to develop an operating plan and subsequently a transition plan for the health district and its clinics to improve access to care for the two counties' medically indigent population. \$40,000.
- 2002-03 *South Texas Regional Health Status Assessment.* Principal Investigator. Texas A&M Health Science Center funded an assessment of the factors influencing the health status of the population of Hidalgo and Starr counties. \$155,000.
- 2001-02 *Brazos Valley Regional Health Status Assessment.* Principal Investigator. St. Joseph's Regional Health Center, College Station Medical Center, the Brazos Valley Council of Governments, and other local entities funded a community health status assessment of the seven counties in the Brazos Valley of central Texas. \$140,000.
- 2000-01 *Concho Valley Partnership Project.* Consultant. Texas Department of Health funded project to organization a community health partnership and conduct a community health status assessment of the 12 counties of the Concho Valley. \$244,000.
- 2000 *Political and Social Implications of a Rating Scale for Community Capacity.* Co-Principal Investigator. Robert Wood Johnson Foundation funded subcontract from the Research Triangle Institute to develop a white paper on the political and social implications of a rating system for community capacity for health improvement. \$50,000.
- 1999 *A Study of the Medically Underserved Populations of Colorado.* Principal Investigator. Colorado Community Health Network (Denver, CO). \$75,000.
- 1998 *A Comprehensive Community Health Status Assessment of the Communities Surrounding Six Hospitals the Philadelphia Market.* Principal Investigator. Tenet Health System funded subcontract from the Medstat Corp. \$159,800.
- 1998 *A study of the impact of the National Health Service Corps.* Co-Principal Investigator. National Rural Health Association. \$275,000.
- 1997-99 *Technical assistance to the Association of Clinicians for the Underserved.* Consultant. HRSA, Bureau of Primary Health Care. Series of subcontracts to provide on improving access to care. \$524,665.
- 1996-98 *Developing a Community Health Partnership/Conduct a Community Health Status Assessment as a Prelude to a Hospital Merger.* Principal Investigator. Milford Memorial Hospital (Milford, DE). \$202,237.

- 1996-98 *Organizing a Community Health Partnership to Conduct a Comprehensive Community Health Status Assessment.* Principal Investigator. Muhlenberg Regional Medical Center (Plainfield, NJ). \$163,900.
- 1996-97 *Organizing a Community Health Partnership and Conducting a Comprehensive Community Health Status Assessment.* Principal Investigator. Hartford Hospital and Hartford (CT) Health Department. \$126,000.
- 1996 *Organizing a Community Health Partnership to Conduct a Comprehensive Community Health Status Assessment.* Principal Investigator. St. Joseph's Medical Center (Joliet, IL). \$118,900.
- 1995-2019 *Series of contracts to develop strategic and tactical plans for the health district, conduct comprehensive community health status assessments, health, and human services clients, and facilitate analysis and implementation of results ('95, '98, '01, '04, '08, '10, '13 '16 and '19).* Consultant/Principal Investigator. Health District of Northern Larimer County (Fort Collins, CO). \$435,500.
- 1995-98 *Contract to Conduct a Comprehensive Community Health Status Assessment and a School-based Assessment of Child Health.* Principal Investigator. St. Luke's Hospital (Bethlehem, PA). \$204,500.
- 1995-96 *Conducting a Comprehensive Community Health Status Assessment.* Principal Investigator. Easton Hospital (Easton, PA). \$129,100.
- 1995-96 *Organizing a Community Health Partnership and Conducting a Comprehensive Community Health Status Assessment.* Principal Investigator. Kent General Hospital (Dover, DE). \$143,300.
- 1995 *Conducting a Comprehensive Community Health Status Assessment.* Principal Investigator. Spokane County Health District. \$124,100.
- 1994-96 *Organizing a Community Health Partnership and Conducting a Comprehensive Community Health Status Assessment.* Principal Investigator. Laurel Health System (Wellsboro, PA). \$130,600.
- 1994-95 *Contract to Provide Training to Association Staff on How to Organize a Community Health Partnership and Conduct a Comprehensive Community Health Status Assessment.* Consultant. Washington Health Foundation and Washington Hospital Association. \$136,000.
- 1994 *Conducting a Community Health Status Assessment.* Principal Investigator. Meadville Medical Center, Crawford County, PA. \$98,000.
- 1993-97 *Organizing a Community Health Partnership, Conducting a Comprehensive Community Health Status Assessment, and Assisting in the Planning and Evaluation of Community Health Initiatives.* Principal Investigator. University Medical Center (Augusta, GA). \$300,100.

- 1993-94 *Technical Assistance to Hospitals in Columbia South Carolina to Conduct Community Health Status Assessment.* Principal Investigator. American College of Healthcare Executives and Duke Endowment. \$128,000.
- 1989 *A Study of Recurrent Stroke in the Population of the Lehigh Valley.* Co-Investigator. National Institute for Neurological, Communicative Disorders and Stroke. \$165,887.
- 1988-89 *A two-year study to determine impact on fetal and maternal outcome of diabetes education/care.* Co-Investigator. Pennsylvania Department of Health, the Dorothy Rider Pool Health Care Trust, Helwig Diabetes Center Endowment Fund, Ames Meter Company, and the Lehigh Valley Diabetes Association. \$195,313.
- 1987-90 *Alert-Partnership for a Drug-Free Valley.* Principal Investigator. Dorothy Rider Pool Healthcare Trust. First year funding, \$433,704.

Membership and Offices Held in Professional Organizations and Honorary Societies

- 2021-date American Academy for Health Behavior, member.
- 2010-date National Rural Health Association, member.
- 2007-12 Community-Campus Partnerships for Health, member.
- 2006-date Association for Community Health Improvement, member; member national Advisory Council 2012-2015; Community Assessment Workgroup, member, 2006-18.
- 2005-date Delta Omega Public Health Honor Society, Alpha Tau Chapter, member.
- 2003-07 Central Texas Primary Care Research Network, member.
- 1998-16 AcademyHealth (Association for Health Services Research), member.
- 1987-95 Pennsylvania Society for Public Health Education, Founding Member 1987; National Delegate 1987-90.
- 1980-87 Texas Society for Public Health Education, member; Chapter President, 1986-87.
- 1979-83 Texas State Health Coalition, Vice Chair, Austin Chapter.
- 1970-date American Public Health Association, Member. Member Health Education Section Council, 1987-89. Member Public Health Education and Health Promotion Section, 1970-date, and Member Community-based Public Health Caucus, 2008-date.

1970-18 Society for Public Health Education. Member; House of Delegates 1987-90; President-elect 1992; President 1993; Immediate Past President 1994; Past Presidents' Council 2002-date; Mid-year Scientific Meeting Planning Committee, member, 2005.

Honors and Awards

- 2021 Regents Professor appointment, Texas A&M University, **Burdine, J.**
- 2007 Excellence in Aging and Rural Health Research Award, Gerontological Health Section, American Public Health Association, *Perceived Community Integration, Self-Reported Health Status, and other Demographic Correlates in Older Central Texas Women: Beginning steps into the analysis of rural / urban differences*. Prochaska, J., **Burdine, J.**, Clark, H., and Wendel, M.L.
- 2006 Award for Excellence in Public Health Practice, School of Rural Public Health, Texas A&M Health Science Center. **Burdine, J.**
- 2006 Faculty Recognition Award, Department of Social and Behavioral Health, School of Rural Public Health, Texas A&M Health Science Center. **Burdine, J.**
- 2006 Aging and Rural Health Research Award (Honorable Mention). Gerontological Health Section, American Public Health Association, *Grocery Store Density and Self-Reported Fruit and Vegetable Consumption: A preliminary look into the impact of the food environment on Rural Older Adults*. Prochaska, J., Sharkey, J., Ory, M., **Burdine, J.**, Garcia-Strickland, I., and Horel, S.
- 2006 Betty J. Cleckley Minority Issues Research Award (Honorable Mention). Gerontological Health Section, American Public Health Association, *Sociodemographic and health care characteristics of colonia residents: The role of life stage in predicting health risks and diabetes status in a disadvantaged Hispanic population*. Ory, M., Conkling, M., Bolin, J., Prochaska, J, Zhan, D., **Burdine, J.**, and Mier, N.
- 2005 Faculty Recognition Award, Department of Social and Behavioral Health, School of Rural Public Health, Texas A&M Health Science Center. **Burdine, J.**
- 2005 Delta Omega Public Health Honor Society, inducted Alpha Tau Chapter. **Burdine, J.**
- 2004 Faculty Recognition Award, Department of Social and Behavioral Health, School of Rural Public Health, Texas A&M Health Science Center. **Burdine, J.**
- 1995 Mohan Singh Award, Health Education Section, American Public Health Association. **Burdine, J.**
- 1984 Innovators in Health Promotion, American Hospital Association, "Good Health School," Seton Medical Center, Austin. TX. Smith, J. and **Burdine, J.**

Service Activities

Department of Health Behavior

2022-date	Department of Health Behavior Promotion and Tenure Committee, member.
2022-23	Department of Health Behavior Faculty Search Committee, Chair.
2021-22	Department of Health Promotion and Community Health Sciences, Search Committee for Interim Department Head, Chair.
2018-23	Department of Health Promotion and Community Health Sciences, Doctoral Program Practicum Coordinator.
2018-22	Department of Health Promotion and Community Health Sciences, Promotion and Tenure Committee, member.
2017-18	Department of Health Promotion and Community Health Sciences, Promotion and Tenure Committee, chair.
2016	Department of Health Promotion and Community Health Sciences, Faculty Annual Review Process Task Group, chair.
2006-13	Department of Social and Behavioral Health Comprehensive Exam Committee, co-chair.
2012-17	Department of Health Promotion and Community Health Sciences, Appointment, Tenure and Promotion Committee, member.
2005-12	Department of Social and Behavioral Health, Appointment, Tenure and Promotion Committee, member.
2004-13	Department of Social and Behavioral Health Curriculum Committee, member.
2012-date	Department of Health Promotion and Community Health Sciences Doctoral Program Committee, member.
2004-12	Department of Social and Behavioral Health Doctoral Program Committee, member.
2001-date	Department Faculty Committee, member.

Texas A&M School of Public Health

2022-date	Center for Community Health and Aging Executive Committee, Chair.
2021-22	Accountability, Climate, and Equity Scholarship Fellowship (ACES) Search Committee, member.
2019-21	Executive Committee, School of Public Health, Texas A&M Health Science Center, College Station, Texas, member.
2018-date	Doctorate in Public Health Program Committee, member.
2018-22	Strengthening Teaching Excellence through Peer Support, Office of Academic Affairs, Task Force member.
2017-22	MPH Core Curriculum Committee, member.
2017-22	School Council on Education for Public Health Accreditation Executive Committee, member.
2017-22	School Council on Education for Public Health Accreditation Doctoral Programs Subcommittee, co-lead.

- 2016-17 MPH Core Curriculum Re-design Task Force, member.
- 2016-17 Southwest Rural Health Research Center HRSA/ORHP RFA, anonymous internal reviewer.
- 2015-16 Faculty Search Committee, Department of Undergraduate Public Health, member.
- 2015-16 By-laws Revision Committee, member.
- 2015-16 School Appointment, Promotion and Tenure Committee, member.
- 2011-15 Strategic Planning Committee, member.
- 2010-13 Office of Public Health Practice Advisory Committee, member.
- 2010-13 Departmental Practicum Coordinators Advisory Committee, member.
- 2009-15 Executive Committee, member.
- 2009-11 Council for Education in Public Health (CEPH) Services Committee, co-chair.
- 2008-13 Faculty Council Leadership Council, member.
- 2008-12 Program for Rural and Minority Health Research Executive Committee, member.
- 2008-15 Administrative Council, member.
- 2007-08 Faculty Council, *Ad Hoc* Governance Committee, chair.
- 2007-08 Faculty Council, co-convener.
- 2006-10 Faculty Senators Caucus, leader.
- 2006-08 Nominations Committee, chair.
- 2005 Faculty Search Committee, Department of Social and Behavioral Health, chair.
- 2005-22 Center for Community Health Development Executive Committee, member.
- 2005 Appointment, Promotion and Tenure Committee, Epidemiology Department, member.
- 2004-05 Faculty Search Committee, Department of Health Policy and Management, member.
- 2004-05 Assistant Dean for Academic Affairs Search Committee, member.
- 2002-05 Executive Management Team, member.
- 2002 South Texas Regional Dean Search Committee, member.
- 2002-03 Doctoral Program Curriculum Committee, member.
- 2001-05 Executive Committee, member.
- 2001-04 Curriculum Committee, member.
- 2001-07 Academic Council, member.
- 2001-02 South Texas Faculty Search Committee, co-chair.

Texas A&M Health Science Center

- 2020-21 Health Science Center Vision 360 Strategic Plan, Community Engagement Workgroup, member.
- 2015 Appointment, Promotion and Tenure Committee, College of Nursing. External member.
- 2015 HSC ad hoc Space Planning Committee, member.
- 2013-15 HSC Executive Committee, member.
- 2010-16 TAMHSC College of Medicine, Preventive Medicine Residency Advisory Committee, member.
- 2010-12 *ad hoc* Health Science Center Expanding the Reach Work Group, member.
- 2010-11 *ad hoc* Health Science Center Military Friendly Initiative Advisory Board, member.

- 2011 Health Science Center Faculty Senate, Speaker.
- 2010 Health Science Center Faculty Senate, Deputy Speaker.
- 2008-09 Health Science Center Faculty Senate, Treasurer.
- 2008-11 Health Science Center Faculty Senate Executive Committee, member.
- 2006-08 Campus Master Plan Steering Committee, member.
- 2006-11 Health Science Center Faculty Senate, member.
- 2006-07 Health Science Center Faculty Senate, Elections Committee, member.
- 2004-05 2015 Strategic Planning Task Force, member.
- 2004-05 Inter-Component Regional Center Strategic Planning Task Force, co-chair.
- 2002-03 Houston Endowment Steering Committee, member.

Texas A&M University

- 2017-18 Undergraduate Minor in Entrepreneurship Planning Committee, member.
- 2016-22 University Research Council Working Group on Centers and Institutes, Center Directors Representatives, member.
- 2016-20 Academic Civil Rights Investigation Committee (ACRIC), member.
- 2013-15 Council of Deans, member.

State and Federal Government/National and International Organizations

- 2019-21 All Texas Access External Stakeholder Workgroup, Texas Health and Human Services, member.
- 2018-date Progress in Community Health Partnerships: Research, Education and Action, reviewer.
- 2018-date Journal of Clinical Psychology, reviewer.
- 2017-date Journal of Rural Health, reviewer.
- 2016-date Journal of Public Health Management and Practice, reviewer.
- 2016-date Health Education & Behavior, reviewer.
- 2015-date PLOS One (open access journal), reviewer.
- 2015-16 Texas Department of Agriculture, Rural Health Care Summit Planning Committee, member.
- 2014-date Code Red Task Force on Access to Health Care in Texas, member.
- 2013 George H.W. Bush 6th Biennial China-U.S. Relations Conference, 2014 Global Infectious Diseases: Prevention, Preparedness and Response, Scientific Program Committee, member.
- 2013-15 Texas Department of State Health Services (DSHS) Public Health Funding and Policy Committee (established by Senate Bill 969 in the 82nd Texas Legislative Session), member.
- 2012-15 Association for Community Health Improvement National Advisory Council, member.
- 2011-13 Texas Rural Leadership Program, Board of Directors, member.
- 2010-13 Association for Community Health Improvement, Community Health Assessment Workgroup, member.
- 2010-13 Catholic Health Association of the United States, Community Health Needs Assessment and Implementation Strategy Handbook Advisory Committee, member.

- 2010-date CES5Health.info, (online journal) reviewer.
- 2009-13 Texas Department of State Health Services/Three Schools of Public Health Collaborative, Curriculum/Workforce Readiness Workgroup, member.
- 2009-date Journal of Public Health Leadership, reviewer.
- 2009-13 Texas Health and Human Services Commission, Primary Care Case Management Advisory Committee, member.
- 2008-15 Texas Department of State Health Services/Texas Schools of Public Health Collaborative, member.
- 2008-09 Paso Del Norte Health Foundation, Strategic Planning Process, consultant.
- 2008-date International Journal of Prevention Practice and Research, reviewer.
- 2007-date Health Resources and Services Administration, grant reviewer.
- 2006-13 Centers for Disease Control and Prevention, Prevention Research Centers, Policy Committee, member.
- 2006-11 Centers for Disease Control and Prevention, Prevention Research Centers, Director's Committee, member.
- 2006-13 *Public Health Reports* Advisory Board, member and reviewer.
- 2006-08 Association for Community Health Improvement, Community Health Assessment Workgroup, member.
- 2006-07 CHRISTUS Health System, Board of Directors, Finance and Strategies Committee, member.
- 2006-07 Texas Public Health Training Center, Summer Institute Planning Committee, member.
- 2006-13 Association of Schools of Public Health, Dr.P.H. Competencies Subcommittee of the Education Committee, member.
- 2005-12 Association of Schools of Public Health, Dr.P.H. Cultural Competencies Workgroup, core MPH Competency Development Project, member.
- 2003-date American Journal of Public Health, reviewer.
- 2004-05 Society for Public Health Education Mid-Year Scientific Meeting Planning Committee, member.
- 2003-12 Texas Health Institute, Community/Public Health Workgroup, member.
- 2003 National Cancer Institute, Human Papillomavirus Risk Assessment Workgroup, member.
- 2002-05 UnitedHealth Foundation, State Health Rankings Advisory Group, member.
- 2002-13 Association of Schools of Public Health Council of Public Health Practice Coordinators Council, member.
- 2002 Centers for Disease Control and Prevention, Office of Extramural Prevention Research, Community-based Prevention Research Grant Review Panel, member.
- 2001 *Social Science and Medicine*, reviewer.
- 1995-date American Public Health Association Annual Meeting, reviewer.
- 1993-94 Centers for Disease Control, Division of Chronic Disease Control and Community Intervention, National Center for Chronic Disease Prevention and Health Promotion, Health Education Consultant Group, member.

- 1991-98 *Health Education Research: Theory and Practice*. Oxford University Press, editorial board member.
- 1990-91 American Hospital Association, Community Benefit Standards Review Panel, member.

Guest Editor of Theme Issues of Refereed Journals

Refereed Conference Presentations

1. 19th Annual Active Living Conference, *Community Setting Use for Physical Activity in Texas Rural Adults*. Lopez, M., McClendon, M., Faries, M., Maddock, J., Paterson, M., **Burdine, J.**, Kellstedt, D., and Green., S. Bethesda, MD. Accepted for presentation, March, 2023.
2. American Academy of Health Behavior Conference, *Attitudes towards the opioid crisis: Differences between metropolitan and non-metropolitan areas in Central Texas*. Ory, M., Lee, S. Smith, M., & **Burdine, J.** Napa Valley, CA, March 2020.
3. National Health Outreach Conference, *Community Health Resource Centers; A grand vision for underserved, rural communities*. Clark, H. and **Burdine, J.** Fort Worth, May, 2019.
4. Fifteenth International Congress of Qualitative Inquiry, *Ecological Analysis of Bisexual Identity and Health Access: An Interpretive Critical Inquiry*. Pavao, C., Lincoln, Y., McLeroy, K., Wright, E., and **Burdine, J.** Champaign-Urbana, May, 2019.
5. Texas Public Health Association. *Forming a Community-Based Coalition to Create a Healthier Community*. Mendez, S., Clark, H., and **Burdine, J.** San Antonio, March 2019.
6. AcademyHealth, 2018 Annual Research Meeting. *The Role of Community Health Workers in Hispanic Health Access in Texas*. Callaghan, T., Washburn, D., Nimmons, K., Duchicela, D., and **Burdine, J.**, Seattle, WA, June 2018.
7. Texas Public Health Association. *Meeting Physical Activity Recommendations: A Comparative Study of Hypertensives and Normotensives in the Brazos Valley*. Anikpo, I., **Burdine, J.**, and Cummings, S. Waco, TX, March, 2018.
8. American Public Health Association Annual Meeting. *BMI as a Predictor for Breast and Cervical Cancer Screening: Results from the Brazos Valley Community Health Needs Assessment*. Samman, E., Mkuu, R., Zhang, X., Cummings, S. and **Burdine, J.** Atlanta, November, 2017.
9. American Public Health Association Annual Meeting. *Oral Health Status Correlates and Predictors*. Daneshparvar, N., **Burdine, J.**, Cummings, S., Hewitt, S., Gutilla, M., Mkuu, R., Samman, E., Sherman, L., Anikpo, I., Appiah, B., Zhang, X., and Rivas, V. Atlanta, November, 2017.
10. American Public Health Association Annual Meeting. *An Access to Care Model Illustrating Individual and Community-Level Predictors between Urban and Rural Populations*. Garney, W.R., McLeroy, K.R., and **Burdine, J.N.** Chicago, October, 2015.

11. American Public Health Association Annual Meeting. *Community capacity dimensions influencing success of local initiatives: The importance of reflexivity.* Wendel, M.L., Garney, W.R., Castle, B.F., Alaniz, A., Ingram, M., McLeroy, K., and **Burdine**, J. New Orleans, November, 2014.
12. American Public Health Association Annual Meeting. *Examining and predicting network relationships in a longitudinal study of a community health partnership.* Robinson, S., Clark, H., McLeroy, K., and **Burdine**, J. New Orleans, November, 2014.
13. Sunbelt XXXIV, Annual conference of the International Network of Social Network Analysis. *Network analysis in the evaluation of community-based coalitions and partnerships: A systematic literature review.* Clark, H. R., Foster, M. J., McLeroy, K. R., Robinson, S., **Burdine**, J. N., and Ory, M. G. St. Petersburg, FL, February, 2014.
14. American Public Health Association Annual Meeting. *Building capacity in rural communities: Opportunities and challenges.* Wendel, M., Alaniz, A., Garney, W., McLeroy, K., Shaw, R., St. John, J., Clark, H., **Burdine**, J., and Zuniga, M. Accepted for presentation, Boston, November, 2013.
15. Association for Community Health Improvement, Preconference Workshop – *Introduction to Community Health Needs Assessment Guides and Tools.* **Burdine**, J., Shirey, L., and Trocchio, J. Denver, March, 2012.
16. American Academy of Health Behavior Annual Meeting. *Using Community-Based Participatory Research to Address Obesity in the Brazos Valley, Texas.* Smith, M., Ory, M., McKinley, A., Ahn, S., Ribardo, J., **Burdine**, J., Wendel, M. Hilton Head, SC, March, 2011.
17. American Psychological Association Annual Conference. *Providing Counseling Services to a Rural Health Center via Telehealth.* McLaughlin, C., Salerno, K., Cano, M. Elliott, T., Wendel, M., **Burdine**, J. San Diego, CA. August, 2010.
18. Texas Public Health Association 85th Annual Conference. *Opportunities for community-based professional training for public health professionals.* **Burdine**, J. Austin, April, 2009.
19. American Public Health Association Annual Meeting. *Implementing and evaluating Sabemos in two Texas colonias: Examining interpersonal and media influences on parenting tobacco-free Hispanic/Latino youth.* St. John, J., Clark, H., Stephenson, M., Johns, M., Berkowitz, J., Wendel, M., **Burdine**, J., and Wilson, A. Philadelphia, PA, November, 2009.
20. American Public Health Association Annual Meeting. *Population health status in colonias near McAllen, Texas: Can promotoras make a difference in health services utilization.* Conkling, M., Blakely, C., **Burdine**, J., and Zuniga, M. San Diego, October, 2008.
21. American Public Health Association Annual Meeting. *Utilizing technology to improve rural residents' access to mental health services.* Elliott, T., Windwehen, L., Wendel, M., Alaniz, A., and **Burdine**, J. San Diego, October, 2008.

22. American Public Health Association Annual Meeting. *A rural–urban comparison of older adults' physical activity in Central Texas*. Prochaska, P., Ory, M., and **Burdine**, J. San Diego, October, 2008.
23. National Rural Health Association 31st Annual Rural Conference. *Mobilizing colonia residents to improve health and quality of life through community health partnerships*. St. John, J., Felix, M., **Burdine**, J., and Wendel, M. New Orleans, May, 2008.
24. National Rural Health Association 31st Annual Rural Conference. *WIN—Utilizing Community Health Workers as Service Coordinators in a Breast Cancer Screening and Treatment Project in Deep South Texas*. St. John, J., Felix, M., **Burdine**, J., Wendel, M., and Ramirez, L. New Orleans, May, 2008.
25. National Rural Health Association 31st Annual Rural Conference. *Involving Rural, Colonia Residents in Culturally Relevant Decision Making in Community Based Health Partnerships*. St. John, J., Felix, M., **Burdine**, J., and Wendel, M. New Orleans, May, 2008.
26. Fifth National Health Disparities Conference. *Objective and Perceived Access of Rural Adults to the Food Environment: Environmental Challenge to Prevention and Management of Diabetes*. Sharkey, J., Horel, S., and **Burdine**, J. Nashville, November, 2007.
27. American Public Health Association Annual Meeting. *Associations Among Perceived Community Integration, Self-Reported Health Status and Other Demographic Correlates in Older Central Texas Women: Beginning Steps into the Analysis of Rural/Urban Differences*. Prochaska, J., **Burdine**, J., Clark, H., and Wendel, M.L. Washington, D.C., November, 2007.
28. American Public Health Association Annual Meeting. *Utility of network analysis in assessing the development of a regional health partnership*. Clark, H., Prochaska, P., Wendel, M.L. McLeroy, K.R. **Burdine**, J., West, S., and Alaniz, A., Washington, D.C., November, 2007.
29. American Public Health Association Annual Meeting. *Correlates of community-based physical activity levels: Examination of age and rural-urban differences*. Ory, M.G., Mier, N., Prochaska, J., Zhan, D., Hora, K., **Burdine**, J., and Lee, C. Washington, D.C., November, 2007.
30. DHHS Office on Women's Health Charting New Frontiers in Rural Women's Health Conference. *Utilizing community health workers to engage colonia residents to improve health through resident-led community partnerships*. St. John, J., Felix, M., **Burdine**, J. and Wendel, M. Washington, D.C., August, 2007.
31. CDC Diabetes Translation Conference. *Challenge of Home and Community Food Environment to Rural Adults with Diabetes*. Sharkey, J.R., Horel, S., Prochaska, J.D., Creel, J., and **Burdine**, J., Atlanta, May, 2007.
32. Experimental Biology Conference. *Community food resources and chronic disease: Objective measures and the perceptions of older adults in rural areas*. Sharkey, J., Horel, S., and **Burdine**, J. Washington, D.C., May, 2007.

33. 2007 Annual Conference Association for Community Health Improvement. *Lessons Learned from 20 Years of Community Health Status Assessments*. **Burdine, J.**, Wendel, M., and Felix, M. New Orleans, March, 2007.
34. 2nd Annual Community Health Workers/Promotores/as Conference. *Community Health Workers in an ever-evolving healthcare environment: Traditional core competencies versus emerging, innovative strategies and proficiencies*. St. John, J., Felix, M., **Burdine, J.**, and Wendel, M. University of Medicine & Dentistry of New Jersey, Stratford, NJ, 2007.
35. Unity 2007 Community Health Workers Conference. *Utilizing Community Health Workers to facilitate community health partnerships to improve health status of isolated South Texas colonia residents*. St. John, J., Wehrly, R., Villarreal, A., Felix, M., **Burdine, J.**, and Wendel, M., Tampa, FL, 2007.
36. The Gerontological Society of America, 59th Annual Scientific Meeting. *Public Smoking Bans and Smoking Rates Among Older Adults: Does One Size Policy fit all Ages?* Prochaska, J., Sharkey, J., Ory, M., **Burdine, J.**, and Shen, R. Dallas, November, 2006.
37. American Public Health Association Annual Meeting. *Improving access to care through an integrated health outreach system for colonia residents along the Texas- Mexico border*. **Burdine, J.**, Blakely, C., Felix, M., Wendel, M., and McLeroy, K. Boston, November, 2006.
38. American Public Health Association Annual Meeting. *Sociodemographic and health care characteristics of Colonia residents: Exploring health risk factors among the Hispanic baby boomer population*. Ory, M., Sharkey, J., Mier, N., Prochaska, J., Conkling, M., and **Burdine, J.** Boston, November 2006.
39. American Public Health Association Annual Meeting. *Using a community health partnership to influence policy makers to establish/sustain a county health department in a rural, underserved South Texas border county*. St. John, J., Felix, M., **Burdine, J.**, and Wendel, M. Boston, November 2006.
40. American Public Health Association Annual Meeting. *Rural food environment is significantly associated with increased fruit and vegetable consumption among older rural adults*. Prochaska, J., Sharkey, J., Ory, M., **Burdine, J.**, Garcia, I., and Horel, S. Boston, November 2006.
41. American Public Health Association Annual Meeting. *Overall evaluation design of an HCAP Community: The Brazos Valley Health Partnership*. Clark, H., **Burdine, J.**, Wendel, M., Alaniz, A., and Schickedanz, A. Boston, November 2006.
42. American Public Health Association Annual Meeting. *Local triennial community health assessments: Gauging how far you have come and where you are headed*. Bigsby, K., Plock, C., Hewitt, S., Cooper, B., and **Burdine, J.** Boston, November 2006.
43. American Public Health Association Annual Meeting. *Equitable partnerships: Communities and campuses together for change*. Wendel, M., Clark, H., Alaniz, A., and **Burdine, J.** Boston, November 2006.

44. American Public Health Association Annual Meeting. *Utilizing promotores as case-managers to improve health status and quality of life for isolated colonia residents in Hidalgo County, Texas.* Martinez, A., St. John, J., Felix, M., **Burdine, J.**, and Wendel, M. Boston, November 2006.
45. American Public Health Association Annual Meeting. *Strategies in transitioning the Integrated Health Outreach Systems Project (IHOS) in South Texas from being a provider-based partnership to two community-based health partnerships located in local colonias.* St. John, J., Martinez, A., Felix, M., **Burdine, J.**, Wendel, M. Boston, November 2006.
46. American Public Health Association Annual Meeting. *Providing better access to healthcare: An affordable transportation option for rural residents.* Schickedanz, A., Wendel, M., **Burdine, J.**, and Alaniz, A. Boston, November 2006.
47. American Public Health Association Annual Meeting. *Overview of the evaluation of the Integrated Health Outreach Project in colonias in the Lower Rio Grande Valley in south Texas.* Blakely, C., **Burdine, J.**, McLeroy, K., Conkling, M., and Wendel, M. Boston, November 2006.
48. American Public Health Association Annual Meeting. *The role of life stage in predicting health risks and diabetes status in a disadvantaged Hispanic population.* Conkling, M., Bolin, J., Prochaska, J., Zhan, D., **Burdine, J.**, and Mier, N. Boston, November 2006.
49. American Public Health Association Annual Meeting. *Impact of evaluation findings on planning and policy development in the Brazos Valley Health Partnership.* Wendel, M., Alaniz, A., Schickedanz, A., Clark, H., and **Burdine, J.** Boston, November 2006.
50. American Public Health Association Annual Meeting. *Measuring changes in leadership in the Brazos Valley Health Partnership, an HCAP Community.* Alaniz, A., Schickedanz, A., Clark, H., **Burdine, J.**, and Wendel, M. Boston, November 2006.
51. American Public Health Association Annual Meeting. *Linking primary health care services with Promotora referrals in isolated settlements in The Texas-Mexico Border.* Zuniga, M., Conkling, M., Blakely, C., and **Burdine, J.** Boston, November 2006.
52. American Public Health Association Annual Meeting. *Changes in organizations involved in the Brazos Valley Health Partnership, and HCAP Community.* Schickedanz, A., McLeroy, K., Clark, H., **Burdine, J.**, Wendel, M., and Alaniz, A. Boston, November 2006.
53. American Public Health Association Annual Meeting. *Improving access to care for rural residents through the Brazos Valley Health Partnership, a Healthy Communities Access Program.* **Burdine, J.**, Wendel, M., Alaniz, A., Schickedanz, A., and Clark, H. Boston, November 2006.
54. CDC National Health Promotion Conference. *Linking Food Environment Studies to Community Health Assessments to Enhance Wellness and Health Promotion Strategies for Community Partnerships.* Sharkey J., Ory M., Prochaska J., and **Burdine J.** Washington DC, September 2006.

55. 2006 CDC Diabetes Translation and Obesity Conference. *Challenge of Diabetes and Obesity among Hispanic Adults in Colonias in Lower Rio Grande Valley (LRGV) of Texas* Sharkey, J., Ory, M., Mier, N., **Burdine**, J. Denver, May 2006.
56. American Public Health Association Annual Meeting. *Integrated Health Outreach System Partnership: The relationship between Hidalgo County, TX community agencies and an academic institution.* Martinez, A., Alaniz, A., Barstad, J., **Burdine**, J., Dillard, H., Maines, S., Mupier, N., Parrish, J., and Wendel, M., Philadelphia, December 2005.
57. American Public Health Association Annual Meeting. *Estrella Saludable Starr County Health Partnership: The relationship between community agencies and an academic institution.* Parrish, J., Alaniz, A., Barstad, J., **Burdine**, J., Dillard, H., Maines, S., Martinez, A., Mupier, N., Wendel, M., Philadelphia, December 2005.
58. American Public Health Association Annual Meeting. *Promotores as facilitators of community health partnerships in isolated colonias: Evidence from Hidalgo County, Texas.* Martinez, A., Parrish, J., Felix, M., **Burdine**, J., Liles, C., and Wendel, M., Philadelphia, December 2005.
59. American Public Health Association Annual Meeting. *Community-Based Survey of Rural Older Adults to Determine Fruit and Vegetable Consumption.* Prochaska, J., Sharkey, J., Ory, M., Barron, K., and **Burdine**, J., Philadelphia, December 2005.
60. Gerontological Society of America, 58th Annual Scientific Meeting. *Age Groupings Make a Difference in Correlates of Moderate Intensity Physical Exercise Among Brazos Valley Adults.* Barron, K., Ory, M., Sharkey, J., and **Burdine**, J. Philadelphia, November 2005.
61. Health Promotion and Education at the Crossroads: New Public Health Directions. 23rd National DHPE/CDC Conference on Health Education and Health Promotion. *A case-management model utilizing Promotoras in South Texas.* Martinez, A., Parrish, J., **Burdine**, J., Wendel, M., and Felix, M. Minneapolis, May 2005.
62. National Rural Health Association, 28th Annual Rural Health Conference. *“La Estrella Saludable” Starr County Health Partnership: A rural county community-based partnership to address and improve population health status through health education, prevention, and promotion.* Parrish, J., **Burdine**, J., Felix, M., Wendel, M., and Martinez, A. New Orleans, May 2005.
63. Society for Public Health Education Midyear Scientific Conference, Health Education and Behavioral Medicine Working Together: A Marathon Not a Sprint. *Strategies for creating sustainable community-based health partnerships to improve population health status through motivated and committed local leaders.* Parrish, J., Felix, M., **Burdine**, J., and Wendel, M. Boston, April 2005.
64. 26th Annual Meeting of the Society of Behavioral Medicine. *The Epidemiology and Socioecological Determinants of Physical Activity among Mexican Americans.* Mier N., Ory M., Barron K., and **Burdine** J. Boston, April 2005.

65. 14th Annual Midwest Farmworker Stream Forum, National Center for Farmworker Health. *The Integrated health outreach system project: a collaborative approach to improving the health status of colonia residents and migrant workers.* Martinez, A., Parrish, J., **Burdine**, J., Felix, M., and Wendel, M. Denver, November. 2004.
66. American Public Health Association Annual Meeting. *Contributions of Promotoras in the Integrated Health Outreach System Project in South Texas.* Parrish, J., Medina, B., Leos, M., Garza, R., Wendel, M., **Burdine**, J., Felix, M., and Reyna. P. Washington, D.C., November 2004.
67. American Public Health Association Annual Meeting. *Evaluation design for the Brazos Valley Health Partnership, an HCAP community.* Wendel, M., Alaniz, A., **Burdine**, J., Felix, M., Somachandran, S., and Jezierski, J. Washington, D.C., November 2004.
68. American Public Health Association Annual Meeting. *Learning Communities: a creative approach to building local health networks.* Dillard, H., Felix, M., **Burdine**, J., Hasan, S., Phillips, D., Alaniz, A., and Wendel, M. Washington, D.C., November 2004.
69. American Public Health Association Annual Meeting. *Mujeres Unidas Family Justice Center: Improving Hispanic community environments through a comprehensive service center for victims of domestic violence, sexual assault, and stalking.* Parrish, J., Reyna, P., Deanda, E., Hasan, S., and **Burdine**, J. Washington, D.C., November 2004.
70. American Public Health Association Annual Meeting. *Transportation barriers: Developing a system for low-income rural residents.* Schickedanz, A., Alaniz, A., Rogers, M., and **Burdine**, J. Washington, D.C., November 2004.
71. American Public Health Association Annual Meeting. *Challenges with the Integration of a Health Network.* Phillips, D., **Burdine**, J., Dillard, H., Felix, M., Parrish, J., Reyna, P., and Somachandran, S. Washington, D.C., November 2004.
