EDUCATION

Ph.D. Health Education
2010

Texas A&M University-College Station
Department of Health and Kinesiology
College of Education and Human Development
College Station, TX

Dissertation Title: *The development of hope as an influence on behavioral intention to delay subsequent pregnancies in pregnant or parenting adolescents.*

M.S. Educational Administration
1989

Texas A&M University-College Station
Department of Educational Administration
College of Education, College Station, TX

B.S. Health Education
1985

Texas A&M University-College Station
Department of Health and Kinesiology
College of Education, College Station, TX

AREAS OF INTEREST

- Health pedagogy and educator preparation
- Mental Health
- Adolescent pregnancy prevention
- Pregnant and parenting adolescents
- Child and adolescent behaviors
- Health literacy

CURRENT POSITIONS

Texas A&M University Health Sciences, School of Public Health- Department of Health Behavior
Fall 2022-Present Instructional Professor

FORMER POSITIONS

Texas A&M University, College of Education and Human Development --Department of Health and Kinesiology

Fall 2020-2022 Clinical Professor
Fall 2014-2020 Clinical Associate Professor
2007-Dec 2023 Coordinator, School Health Teacher Certification

2016-Jan thru June Interim Coordinator, Physical Education Teacher Certification
2016-Present Affiliate Faculty, Center on Disability and Development

FORMER POSITIONS

Texas A&M University, Department of Health and Kinesiology, Division of Health Education

2010-2014 Clinical Assistant Professor
2009-2010 Instructional Associate Professor
2009-2009 Senior Lecturer
1998-2009 Lecturer
Bryan Independent School District, Bryan Texas
1992-2006 **Home educator**
Options for Young Parents-Home education for pregnant and parenting adolescents
1989-1992 **Science teacher**
Stephen F. Austin Middle School, Bryan, TX. Life/Earth Science, Department Head,
Gifted and Talented, Teen Sexuality Curriculum Writing Team
1986-1989 **Science teacher**
Anson Jones Junior High School, Bryan, TX. Life Science, Science Club Sponsor,
District Curriculum Council, Student Teacher Supervisor, Science Department
Coordinator
June 1986 **Math teacher** Stephen F. Austin Middle School, Bryan, TX
April 1986 **Health teacher** Bryan High School, Bryan, TX
1984-1986 **Driver Education Instructor**
Better Drivers, Inc. and Texas A&M University, College Station, TX

PROFESSIONAL CERTIFICATIONS

2024-2027 Youth Mental Health First Aid Certified Instructor
2024-Present CIRTification: Community Involvement in Research Training
2023-2026 Adult Mental Health First Aid Certified Instructor

2021- Present The Association of College and University Educators and the American Council on
Education (ACUE) Certificate in Effective College Instruction.

2017 – Present Innovative Pedagogy Instructors Certificate

*Green Dot educates college students about power-based personal violence and
provides the skills, strategies, and tactics to intervene appropriately and safely in high-
risk situations.

2011-Present Certified Health Education Specialist (CHES), National Commission for Health Education
Credentialing, Inc. (NCHEC) (#18622)
2008 – Present Parenting and Paternity Awareness Trainor (P.A.P.A.)
2002 – Present American Safety & Health Institute—Basic instructor First Aid, CPR, and AED
1985 – Present State of Texas Department of Education Lifetime Professional Educator’s License, Health,

TEACHING

INSTRUCTION of COLLEGIATE COURSES

Legend: C-cross-listed course with Kinesiology Division; O*- online course; SA*- study abroad; SD*- study domestic, W*- writing intensive course*

Undergraduate:

UGST 181: Spark Your Brain & Body
KINE 120 SA*: Aerobic Walking-Finland, England/Ireland
KINE 198W SD*: Aerobic Walking-New York
KNFB/HEFB 325 C*: Teaching Secondary Education
KNFB/HEFB 324 C*: Technology and Teaching Skills for the 21st Century Learner
KNFB/HEFB 450 C*: Student Teaching Supervision
HLTH 210: Introduction to the Discipline
HLTH/KINE 214 C*: Elementary Health and Physical Education
HLTH 216: First Aid
HLTH 332: Secondary School Health
HLTH 342: Human Sexuality
HLTH 342 O*: Human Sexuality
HLTH 421: Elementary Health Education
HLTH 403 O*: Consumer Health
HLTH 415 W*: Health Education Methodology
HLTH 482 W*: Grant Writing
PHLT 309: Population Health Promotion

Graduate:

HLTH 641 O*: Foundations of Health Education
PLTH 685: Advocacy in Public Health

HIGH IMPACT PRACTICE: Study Abroad

May 2025 Athens, Ikaria, Delphi, & Epidaurus, Greece

- Courses: PHLT 485/685 Independent Study
- Responsible for supervising 30 undergraduate and graduate students.
- Coordinate cultural immersion activities and educational excursions.
- Explore Greece' health care and education systems.
- Attended lectures at the American College of Greece (DEREE)
- Investigated the health care system and rehabilitation center
- Facilitated discussions on the relationship between culture, environment, and health.

May 2024 Sydney; Cairns, Australia

- Courses: HLTH 485/685 Independent Study
- Responsible for supervising 27 undergraduate and 3 graduate students.
- Coordinate cultural immersion activities and educational excursions.
- Explore Australia's health care and education systems.
- Attended lectures at the University of Technology
- Facilitated discussions on the relationship between culture, environment, and health.

May 2020 & 2021 Sydney; Cairns, Australia (*Approved-Canceled in response to COVID-19*)

- Courses: HLTH 332: School Health or HLTH 485/685 Independent Study
- Responsible for supervising 25 undergraduate and graduate students
- Coordinate cultural immersion activities and educational excursions.
- Explore Australia's world-renowned education system and visited local classrooms.
- Facilitated discussions on the relationship between culture, environment, and physical activity.

May 2019 Dublin, Ireland; Amsterdam, The Netherlands

- Courses: KINE 120: Aerobic Walking or HLTH 332: School Health
- Responsible for supervising 30 undergraduate students
- Plan and investigate health education in Ireland and England schools.
- Observed classrooms and pedagogy in Ireland and The Netherlands
- Attend lectures from the Irish Primary Principals' Network, Dublin
- Attend lectures at Hague University, Amsterdam
- Participate in cultural activities and excursions.

May 2018 Dublin, Ireland; London, England

- KINE 120: Aerobic Walking course
- Responsible for supervising 30 undergraduate students
- Plan and investigate health education in Ireland and England schools.
- Observe Irish and English classrooms and pedagogy.
- Participate in cultural activities and excursions.

May 2017 Helsinki, Finland; Tallinn, Estonia

- KINE 120: Aerobic Walking course
- Responsible for supervising 25 undergraduate students
- Plan and implement health education lessons in Finnish schools.
- Observe Finnish classrooms and teachers.
- Participate in cultural activities and excursions.

May 2016 Helsinki, Finland

- KINE 120: Aerobic Walking course
- Responsible for supervising 29 undergraduate students
- Observed Finnish classrooms and teachers.
- Facilitated group discussions on school experiences.
- Participated in cultural activities and excursions.

HIGH IMPACT PRACTICE: Study Domestic

2024 SOPHE Advocacy Summit; Washington, D.C., US Course: PHLT485/HBEH 685. Guided 20 students through the advocacy process and legislative meetings on Capitol Hill. Present “Empowering Tomorrow’s Advocates” presentation at the Summit

2012-2015 May-mester-Study Domestic to New York, City

- KINE 198 Aerobic Walking course
- Responsible for supervising approximately 25 undergraduate students
- Observed New York and Brooklyn classrooms and teachers.
- Facilitated group discussions on school experiences.
- Participated in cultural activities and excursions.
- Collected data for publication.

HIGH IMPACT PRACTICE: Service Learning

2013- 2022 Conducting assessments of health policies and procedures using the School Health Index (SHI) assessment tool created by the Centers for Disease Control.

- HLTH 415 Health Education Methodology course
- Students use the SHI to conduct assessments of existing health policies and procedures.
- Students generate a technical report with recommendations for improvement.
- Students provide the report as a service to the school administration.

2014 & 2015 Urban Education in Health & Physical Education

- KINE 198 or 120 Aerobic Walking course
- Responsible for supervising approximately 25 undergraduate students
- Designed and implemented tailored health & physical education.
- Created and donated instructional materials for future implementation.

HIGH IMPACT PRACTICE: Residency-Based Learning

The following courses incorporate field-based experiences to facilitate application of learning.

HLTH 334: Human Sexuality

- Team Research Project including survey development, data collection and analysis.
- Independent investigation: engaging with others via interviews or participatory events to develop knowledge and skills related to human sexuality.

HLTH 332: Secondary School Health

- Investigating the components of the Whole School, Whole Community Whole Child (WSCC) Model
- Teaching a health lesson to HLTH 222 or HLTH Learning Community Courses

HLTH 415: Health Education Methodology (Writing Intensive Capstone Course)

- Teaching weekly health education lessons in secondary public-school classroom

HLTH 421: Elementary School Health

- Teaching an elementary health lesson in K-4 public school settings
- Reading to elementary students in pre-K-4 school settings.
- Delivering a health fair to 3rd-5th grade public school students.

KNFB/HEFB 323: Teaching Secondary Education (Writing Intensive)

- Observing and assisting 24 hours of classroom instruction in grades 6 -12 school settings

KNFB/HEFB 324: Technology and Teaching Skills for the 21st Century Learner

- Serving as an academic and personal mentor for K-5 public school students
- Using technology as a means of providing instruction and enrichment for marginalized youth

COURSE DEVELOPMENT & REVISION

Development: Undergraduate

- 2024 PHLT 309 Population Health Promotion
- 2017 Module Development: Code of Ethics and Standard Practices for Texas Educators for Texas A&M University, College of Education and Human Development
- 2015 KINE 120: Aerobic Walking-Finland
- 2012 KINE 198W: Aerobic Walking-New York
- 2012 KNFB/HEFB 324: Technology and Teaching Skills for the 21st Century Learner
- 2011 UGST 181: Spark Your Brain & Body
- 2009 HLTH 214: Elementary Health and Physical Education
- 2007 HLTH 342: Human Sexuality Online

Development: Graduate

- 2024 PLTH 685: Advocacy in Public Health
- 2021 HLTH 641: Foundations of Health Education
- 2013 HLTH 640: Worksite Health Promotion
- 2010 HLTH 641: Foundations of Health Education

Revision: Undergraduate

- 2023 HLTH 210: Introduction to the Discipline of Health Education
- 2022 HLTH 342: Human Sexuality Online
- 2018 HLTH/KINE 214 Elementary and Physical Education
- 2016 HLTH 342: Human Sexuality Online
- 2008 HLTH 332: Secondary School Health
- 2008 KNFB 323: Introduction to Secondary School Teaching
- 2006 HLTH 421: Elementary School Health
- 2006 HLTH 415: Health Education Methodology

Revision: Graduate

- 2017 HLTH 683: Practicum in Health Education
- 2016 HLTH 641: Foundations of Health Education
- 2011 HLTH 630: Health Education Program Planning

GRADUATE STUDENT MENTORING

The following table summarizes the number of students mentored by year.

#Note: Mentoring is limited to the final semester as a committee member for students in Teaching Learning and Culture
